VeSPoTec – Logo Usage Guidelines

The VeSPoTec logo is available for use in publications, presentations, websites, and other communication materials (e.g. flyers or event advertisement) related to the research project.

- Use the original logo files provided in this folder
- Maintain the original proportions when resizing the logo and do not stretch, distort, rotate, recolor, or modify the logo
- Do not add shadows, outlines, or other visual effects
- Ensure sufficient contrast between the logo and its background
- Leave sufficient clear space around the logo
